I have brought home _____
to help me remember a book that our class
shared today. There are a few things that I
would like to tell you about the book: (my
favorite part, things I knew about, new things
I learned, why I like/dislike the book and how
the treasure helps me to remember the
book). Please record a couple of things I tell
you that will remind me of the book in the
future.

*Put my "treasure" in my chest!
